## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Jefferson Performing Arts Society

We have audited the accompanying statement of financial position of Jefferson Performing Arts Society ( a nonprofit organization) as of June 30, 2000, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jefferson Performing Arts Society as of June 30, 2000, and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, we have also issued a report dated November 30, 2000, on our consideration of Jefferson Performing Arts Society's internal control over financial reporting and our test of it's compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

The financial statements of Jefferson Performing Arts Society are prepared on the accrual basis of accounting and in accordance with the recommendations of the American Institute of Certified Public Accountants. Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements, and relates to the timing of the measurements made. The significant accounting policies followed are described below:

a) Organization

Jefferson Performing Arts Society is a non-profit corporation organized under the laws of the State of Louisiana. It is exempt from Federal income tax under Section 501 (c) (3) of the Internal Revenue Code of 1986, and qualifies as an organization that is not a private foundation as defined in Section 509 (a) of the Code. It is exempt from Louisiana income tax under the authority of R.S.47:121 (5).

## NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### b) Contributions and Revenue Recognition

Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

### c) Property, Furniture, Equipment, and Leasehold Improvements

All property, furniture, equipment and leasehold improvements are recorded at cost. Furniture and equipment depreciation is computed using different basis over estimated useful lives of 5 to 7 years. Leasehold improvements are depreciated over an estimated useful life of 10 years. The building is depreciated over an estimated useful life of 39 years.

### d) In – Kind Support

JPAS occupies an office at 1118 Clearview Parkway in Metairie, Louisiana under a long-term lease. An annual rental of \$1 is paid by JPAS. The estimated approximate fair value of the annual rental is \$27,600 and it is included in the statement of activities as public support and expenses.

JPAS also occupies the auditorium at East Jefferson High School for scheduled performance dates throughout the fiscal year. No rent is paid by JPAS for the long-term agreement that extends to September 1, 2003. No amounts have been recognized in the accompanying statement of activities because no criteria for recognition of such in-kind support has been satisfied under SFAS No. 116, Accounting for Contributions Received and Contributions Made. The in-kind support of the Jefferson Parish School Board includes the use of the facility and all costs and expenses associated with the use of the facility by JPAS for any and all events scheduled by it. The amount of the support is not readily determinable on an annual basis.

### e) Income Taxes

Jefferson Performing Arts Society is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and did not conduct unrelated business activities. Therefore, Jefferson Performing Arts Society has made no provision for federal income taxes in the accompanying financial statements. In addition, Jefferson Performing Arts Society has been determined by the Internal Revenue Service not to be a “private foundation” within the meaning of Section 501(a) of the Internal Revenue Code.

### f) Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management’s estimates.

## NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### g) Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

### h) Cash and Cash Equivalents

Cash equivalents consist of highly liquid investments with an initial maturity of three months or less. Fair value approximately carrying amounts.

### i) Investments

Investments are composed of mutual funds invested in equity securities and are carried at fair value.

## NOTE 2 – DONATED SERVICES

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors,  
Jefferson Performing Arts Society

We have audited the financial statements of Jefferson Performing Arts Society (the Company) ( a nonprofit organization) as of and for the year ended June 30, 2000, and have issued our report thereon dated November 30, 2000. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Company's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Company's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one of more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of Jefferson Performing Arts Society's management and the Legislative Audit Advisory Committee. This restriction is not intended to limit the distribution of this report, which is a matter of public record.
